RE: REQUEST TO EXTEND SUPPORT TO NATURAL RESOURCES SECTOR.

I would like to thank you for the support you have rendered to Kanungu District Local Government in regard to Development of Oil and Gas activities for the last 2 years.

Through your engagement, the District has been able to develop an Action Plan on Oil and Gas and more knowledge has been acquired by both the District and the communities on Oil and Gas. I would also like to recognize the contribution of Kanungu NGO Forum for spear heading the engagement process on Oil and Gas issues which has made it easy for us to prepare for the oil industry in the District.

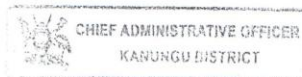

Based on the background above, the District Council appreciated your work in the District and resolved under Min: 12/2014 (c) of Council meeting held on 18th March 2014 to extend appreciation for the work done in the Oil and Gas Sector which has acquainted the District with skills to take advantage of the Oil and Gas benefits.

The Council also resolved to request you to extend your support in other areas like Gold Mining, Iron Ore Forestry, Tourism Development Wetlands management and Wild Life Conservation using the Oil and Gas benefits.

Working together in Natural Resources Department will boost the Revenue base of our district and cause improved standards of living of our communities.

Hoping for continued co-operation.

Yours,

KAYISE CHRIZESTOM
